INTERACTIVE IN DEPTH CLASSES FOR KIDS ages 5 to 15

R180 pp Includes a snack

Snake school is an ongoing set of classes where we educate the kiddos on everything to do with snakes! These classes are designed to be engaging and interactive with chances to get safely hands on with our slithery subjects!

We have 4 classes planned for the year; each has its own theme.

Autumn snake school: 3|4|5|6 April 2023

Winter snake school: 28|29|5|6|12|13 July 2023

Spring snake school: 2|3|4|5 October 2023

Summer snake school: 20|21 December 2022

We will run a slightly different theme each school holiday. To get to know snakes completely you should aim to join a class each season.

Parents are welcome to enjoy the facilities while we educate your young ones.
